June 2020 – March 2021
Percentage: 79.2%

College

B.Sc Computer Science
AVC College, Mayiladuthurai
August 2021 – April 2024
CGPA: 6.56 / 10

INTERNSHIP / TRAINING EXPERIENCE :-

Zoho Creator Developer Trainee (*Aardhrra Technologies*)

Completed a 2-month hands-on training in Zoho Creator focused on low-code application development and automation. Developed custom business applications tailored to organizational requirements, including the design of forms, reports, and interactive dashboards. Implemented workflow automation using Deluge scripting to streamline business processes and improve efficiency. Built a Supermarket Billing and Sales Management System to manage inventory, billing, and sales tracking. Developed a Student Management System with marks tracking and automated email notifications for improved communication.

Frontend Developer Trainee (*Code Pilot IT Training Academy*)

Completed Frontend Development training at CodePilot, gaining practical experience in building responsive and interactive web applications. Developed user-friendly interfaces using HTML, CSS, and JavaScript, and implemented modern UI design principles to enhance user experience. Worked on real-time projects to strengthen skills in DOM manipulation, form validation, responsive layouts, and cross-browser compatibility. Improved problem-solving abilities and coding best practices through hands-on exercises and project-based learning.
